

# EDUCATION PROGRAMS

January 2021

Alzheimer’s Association educational programs are for family or friends who have a loved one with Alzheimer’s disease or another form of dementia at any stage of the disease. The education programs are led by staff and volunteers who are screened, trained, and supervised by the Alzheimer’s Association.

Due to an abundance of caution during COVID-19, ALL education programs are held in a VIRTUAL and INTERACTIVE format through an application on your computer, tablet, or smart phone called Zoom. A call-in option is also available for each class.

To register or for more information, please visit [www.alz.org/crf](http://www.alz.org/crf), or call the 24/7 Helpline at 1.800.272.3900.
